# Our school

Our school is in Grophansdorf.

Our school is not the biggest, but it is the best!

Our school have so many things to offer...

There is a theater group! And a chemistry room!  
and more...

There is a picture  
where the six graders  
support our partner school.

And there's  
our school cafeteria!

A theater: There is a original drinking bottle  
so nice! from our school.

# Our school

Our school is called Emil-von-Behring-Gymnasium and is in Großhansdorf.

Here you can see our schoolyard.

Our school is big and beautiful and we have got a big sports ground. We've got wind classes. I play saxophon, but there're many other instruments.

In the lunch break we can eat in the cafeteria. It's nice and we can buy sweets.

All our teachers are nice. My tutor's name is Mrs Mohr and my English teacher is Mrs Iven.

Our school is a future school.

Our school has just got a partner school in Tanzania. The Asante Sana organization from the EVB helps this school.

# Our school

Our school is the Emil-von-Behring-Gymnasium and the school building is in Großhansdorf. It's a Europa school. It has got fifty-eight teachers.

This is our school logo.

It has got a partner school in Tanzania. Our school help them.

The EvB has got EvBläser. The EvBläser play instruments. For example Saxophone, clarinet or trombone.

In our lunch break we can go in the cafeteria and can buy sweet and we can eat lunch.

The EvB has got great projects. For example school T-shirts, drinking bottles, bags and masks.

The school has got very good fan out:

- story
- geography
- religion
- philosophy
- mathematics
- biology
- chemistry
- physics
- Computer science
- art
- music
- Performing game
- Sports
- German

Other languages:

French

Latin

Spanish

English

The first lesson start at 7:40 a.m.

# OUR SCHOOL

The name of our school is Emil von Behring. Mr Behring was a German researcher. The school is 54 years old and located in Großhansdorf. 700 students and 57 teachers go to the EVB.

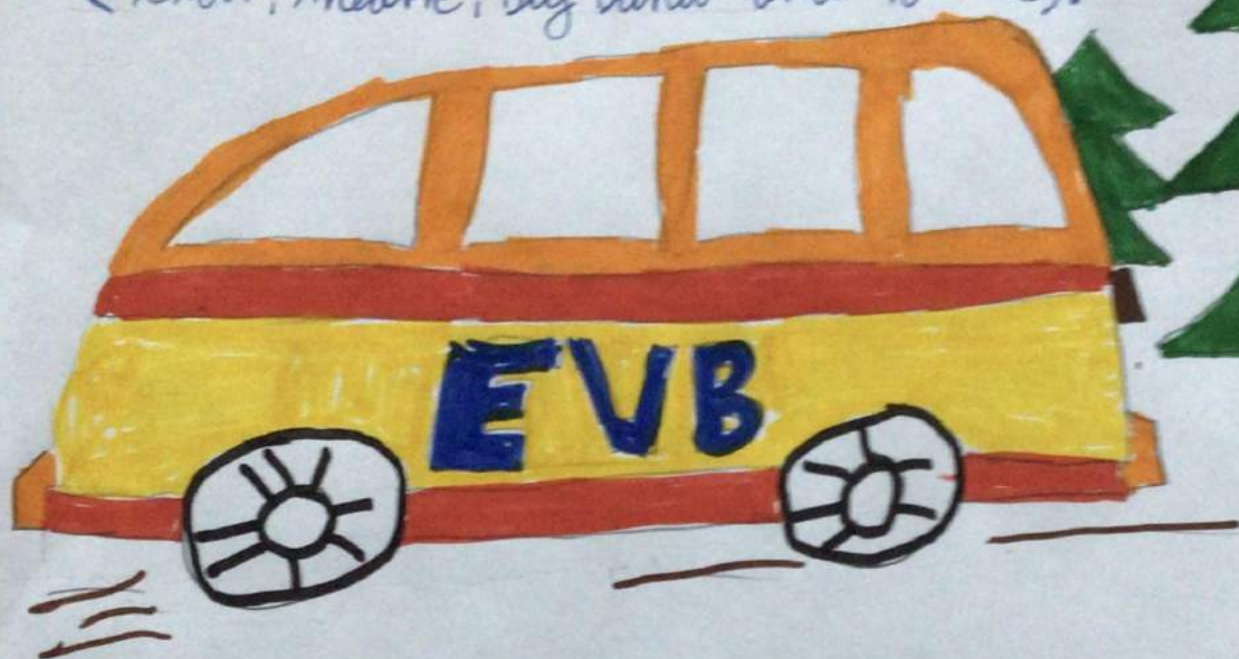

The EVB is a very musical school.  
 Many students a wind instrument.  
 This high school is a Partner School and  
 a Europe School

The students have a lot of school trips and excursions and working groups (choir, theatre, Big Band and robotic).

But it's not always fun there are many school rules.

# EvB.

My school is in Großhansdorf, near Hamburg.  
It is called Emil-von-Behring-Gymnasium (EvB).  
The grades are from 5th to 13th grade. We  
have lots of classrooms and very nice teachers.  
You can stay at the school until you graduate.

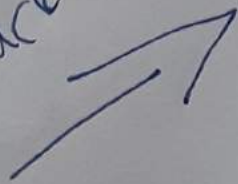

We have an orchestra  
with many instruments: for  
example clarinet, saxophone  
and tuba.

We have a soccer field, a  
basketball court, a table tennis  
and a 400m running track.

400m running track

Our school have a Cafeteria and sweets.

← Cafeteria

This is the forum.  
There are always great events in the forum

We have a school assistant dog.  
His name is JoeJoe.

Waf Waf!

The EVB is in the Sieker  
Landstraße 203a.

22927 Großhansdorf, Germany

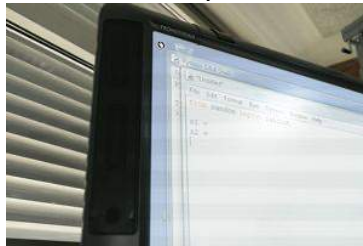

## Emil-von-Behring-Gymnasium

Our school is big. It's in Großhansdorf. Großhansdorf is a village near Hamburg.

The school is modern with active boards in every classroom.

Our school is over at lunchtime. At school we don't have to wear uniforms. But we have got very nice school-shirts.

There's also a cafeteria and a kiosk. We can buy for example sandwiches, drinks and brezzels.

In our school we can learn an instrument. This is cool! We learn for example the trumpet, the saxophone or a tuba. We can play in a band. I play the trumpet.

When we have a break we can play football or table tennis outside. I like to play football.

We can learn English, French and Latin. Our exchange schools are in France, Spain and Chile. We can visit the schools there.

That is our school!

# Our School

In our school learn 700 students and there are 57 teachers.

In our school we have got a big gym.

We can have lunch in our cafeteria.

The classrooms are in 5 different towers.

All classrooms have got a white board.

# Europe school

Our school is a Europe school.

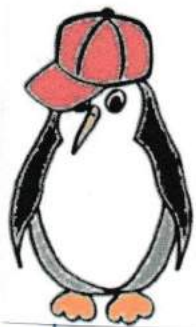

You can  
learn 4  
different  
languages:

English,  
spanish,  
french and latin.

# Future school

Our school is a future school.  
The students can work in  
"penguin"-projekt they can  
learn more about  
climate and environmental  
protection.

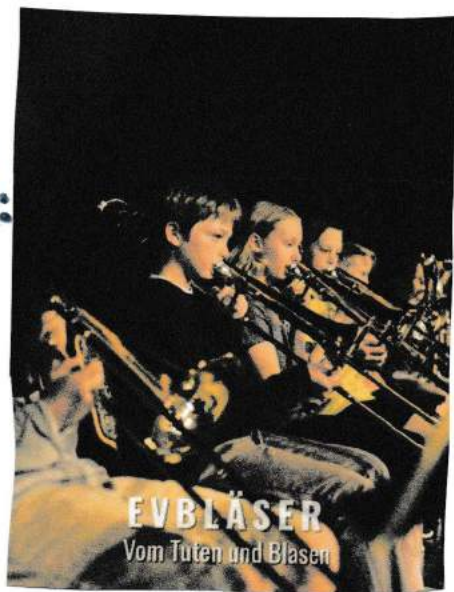

We have a partner school  
in Tanzania and help with  
money that the african  
students can learn.

# EVBläser

Every student in  
class 5 and 6 can  
learn an instrument:

- clarinet
- saxophone

-tuba

-trumpet

# Working groups

We've got different working groups in the afternoon! -

robotiks or  
black light  
theater.

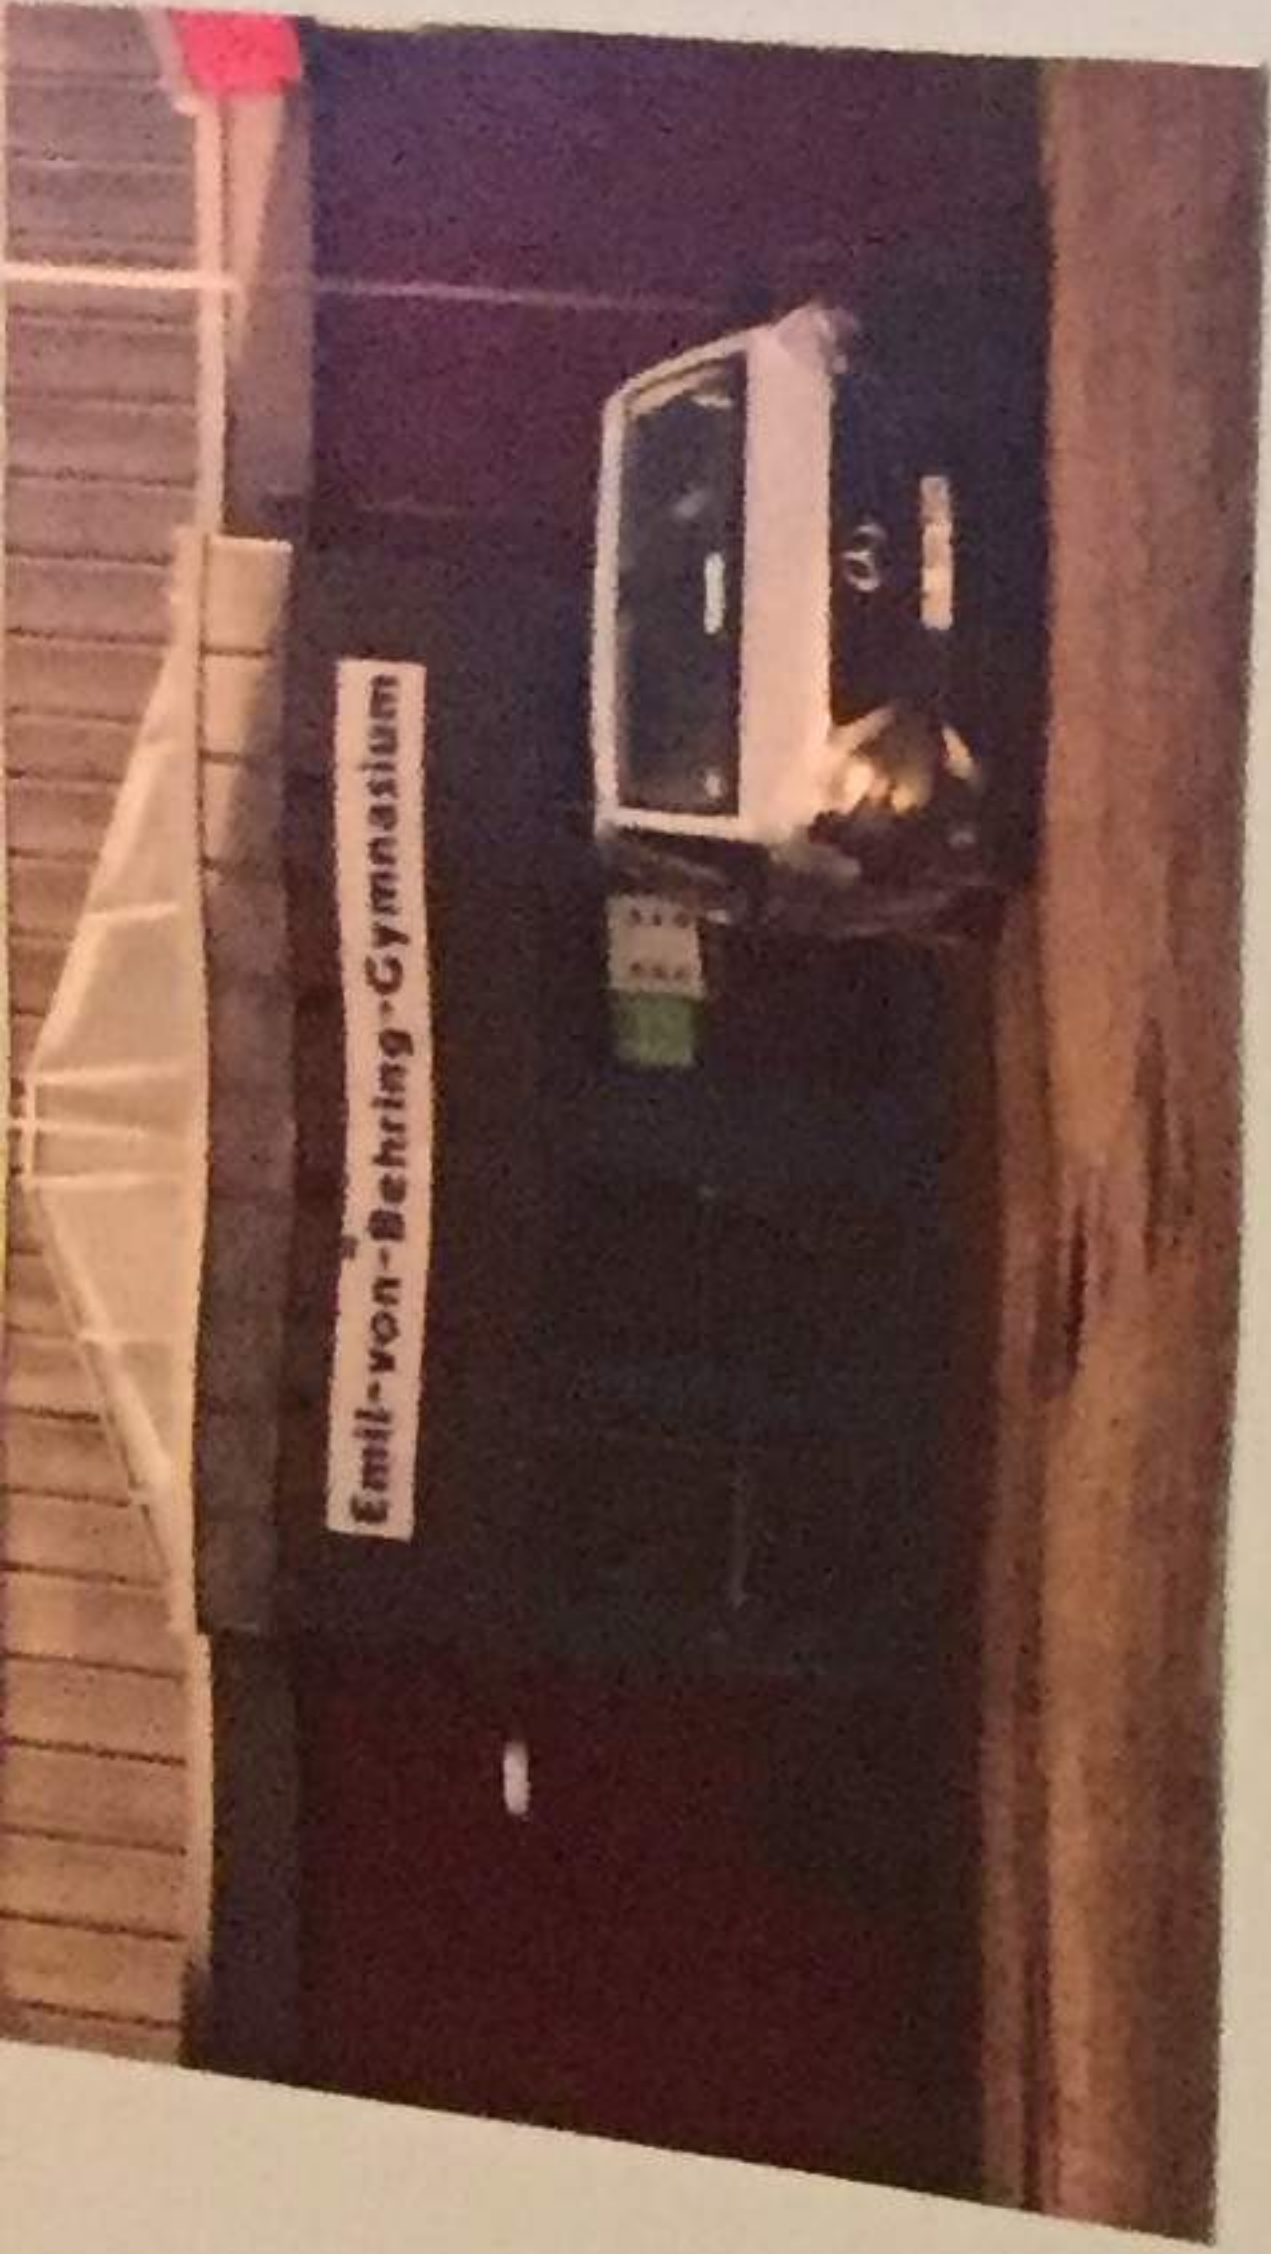

We can wear a  
school shirt in  
different colors.

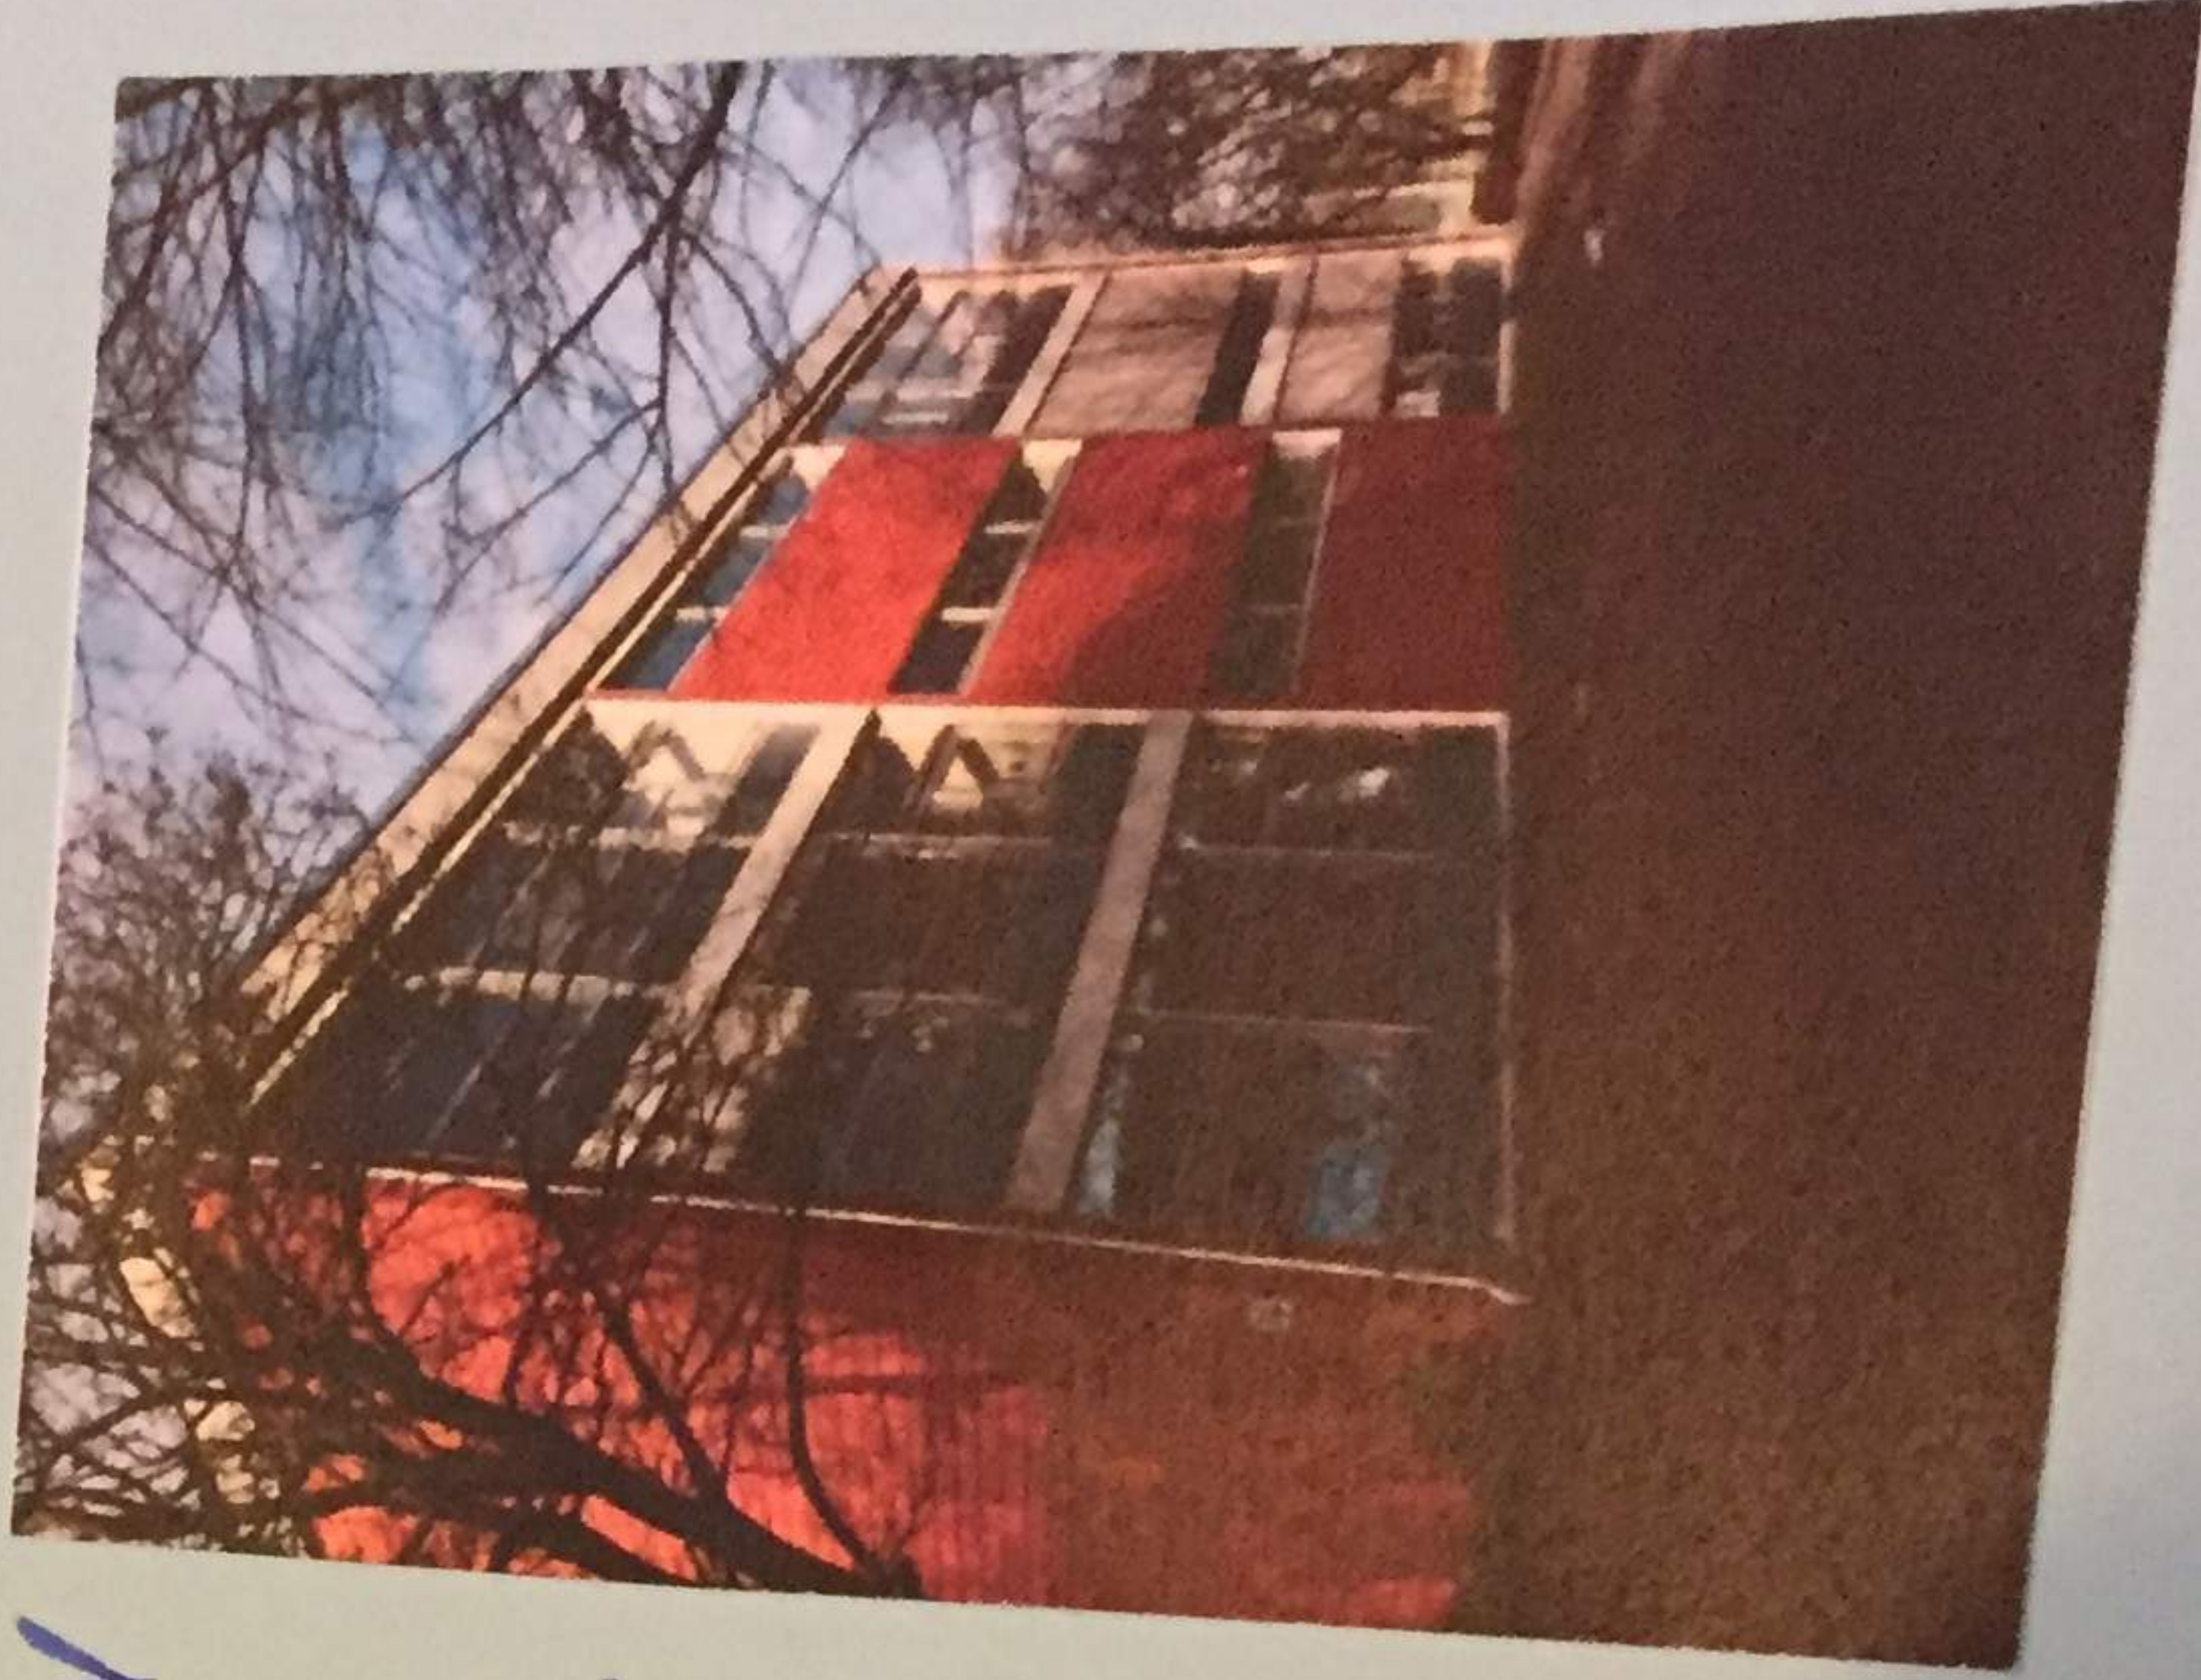

... and this is our  
school dog Joe Joe.

We love him!

Our school is called  
Emil von Behring Gymnasium  
and its located in Großshausdorf.  
The school is very big!

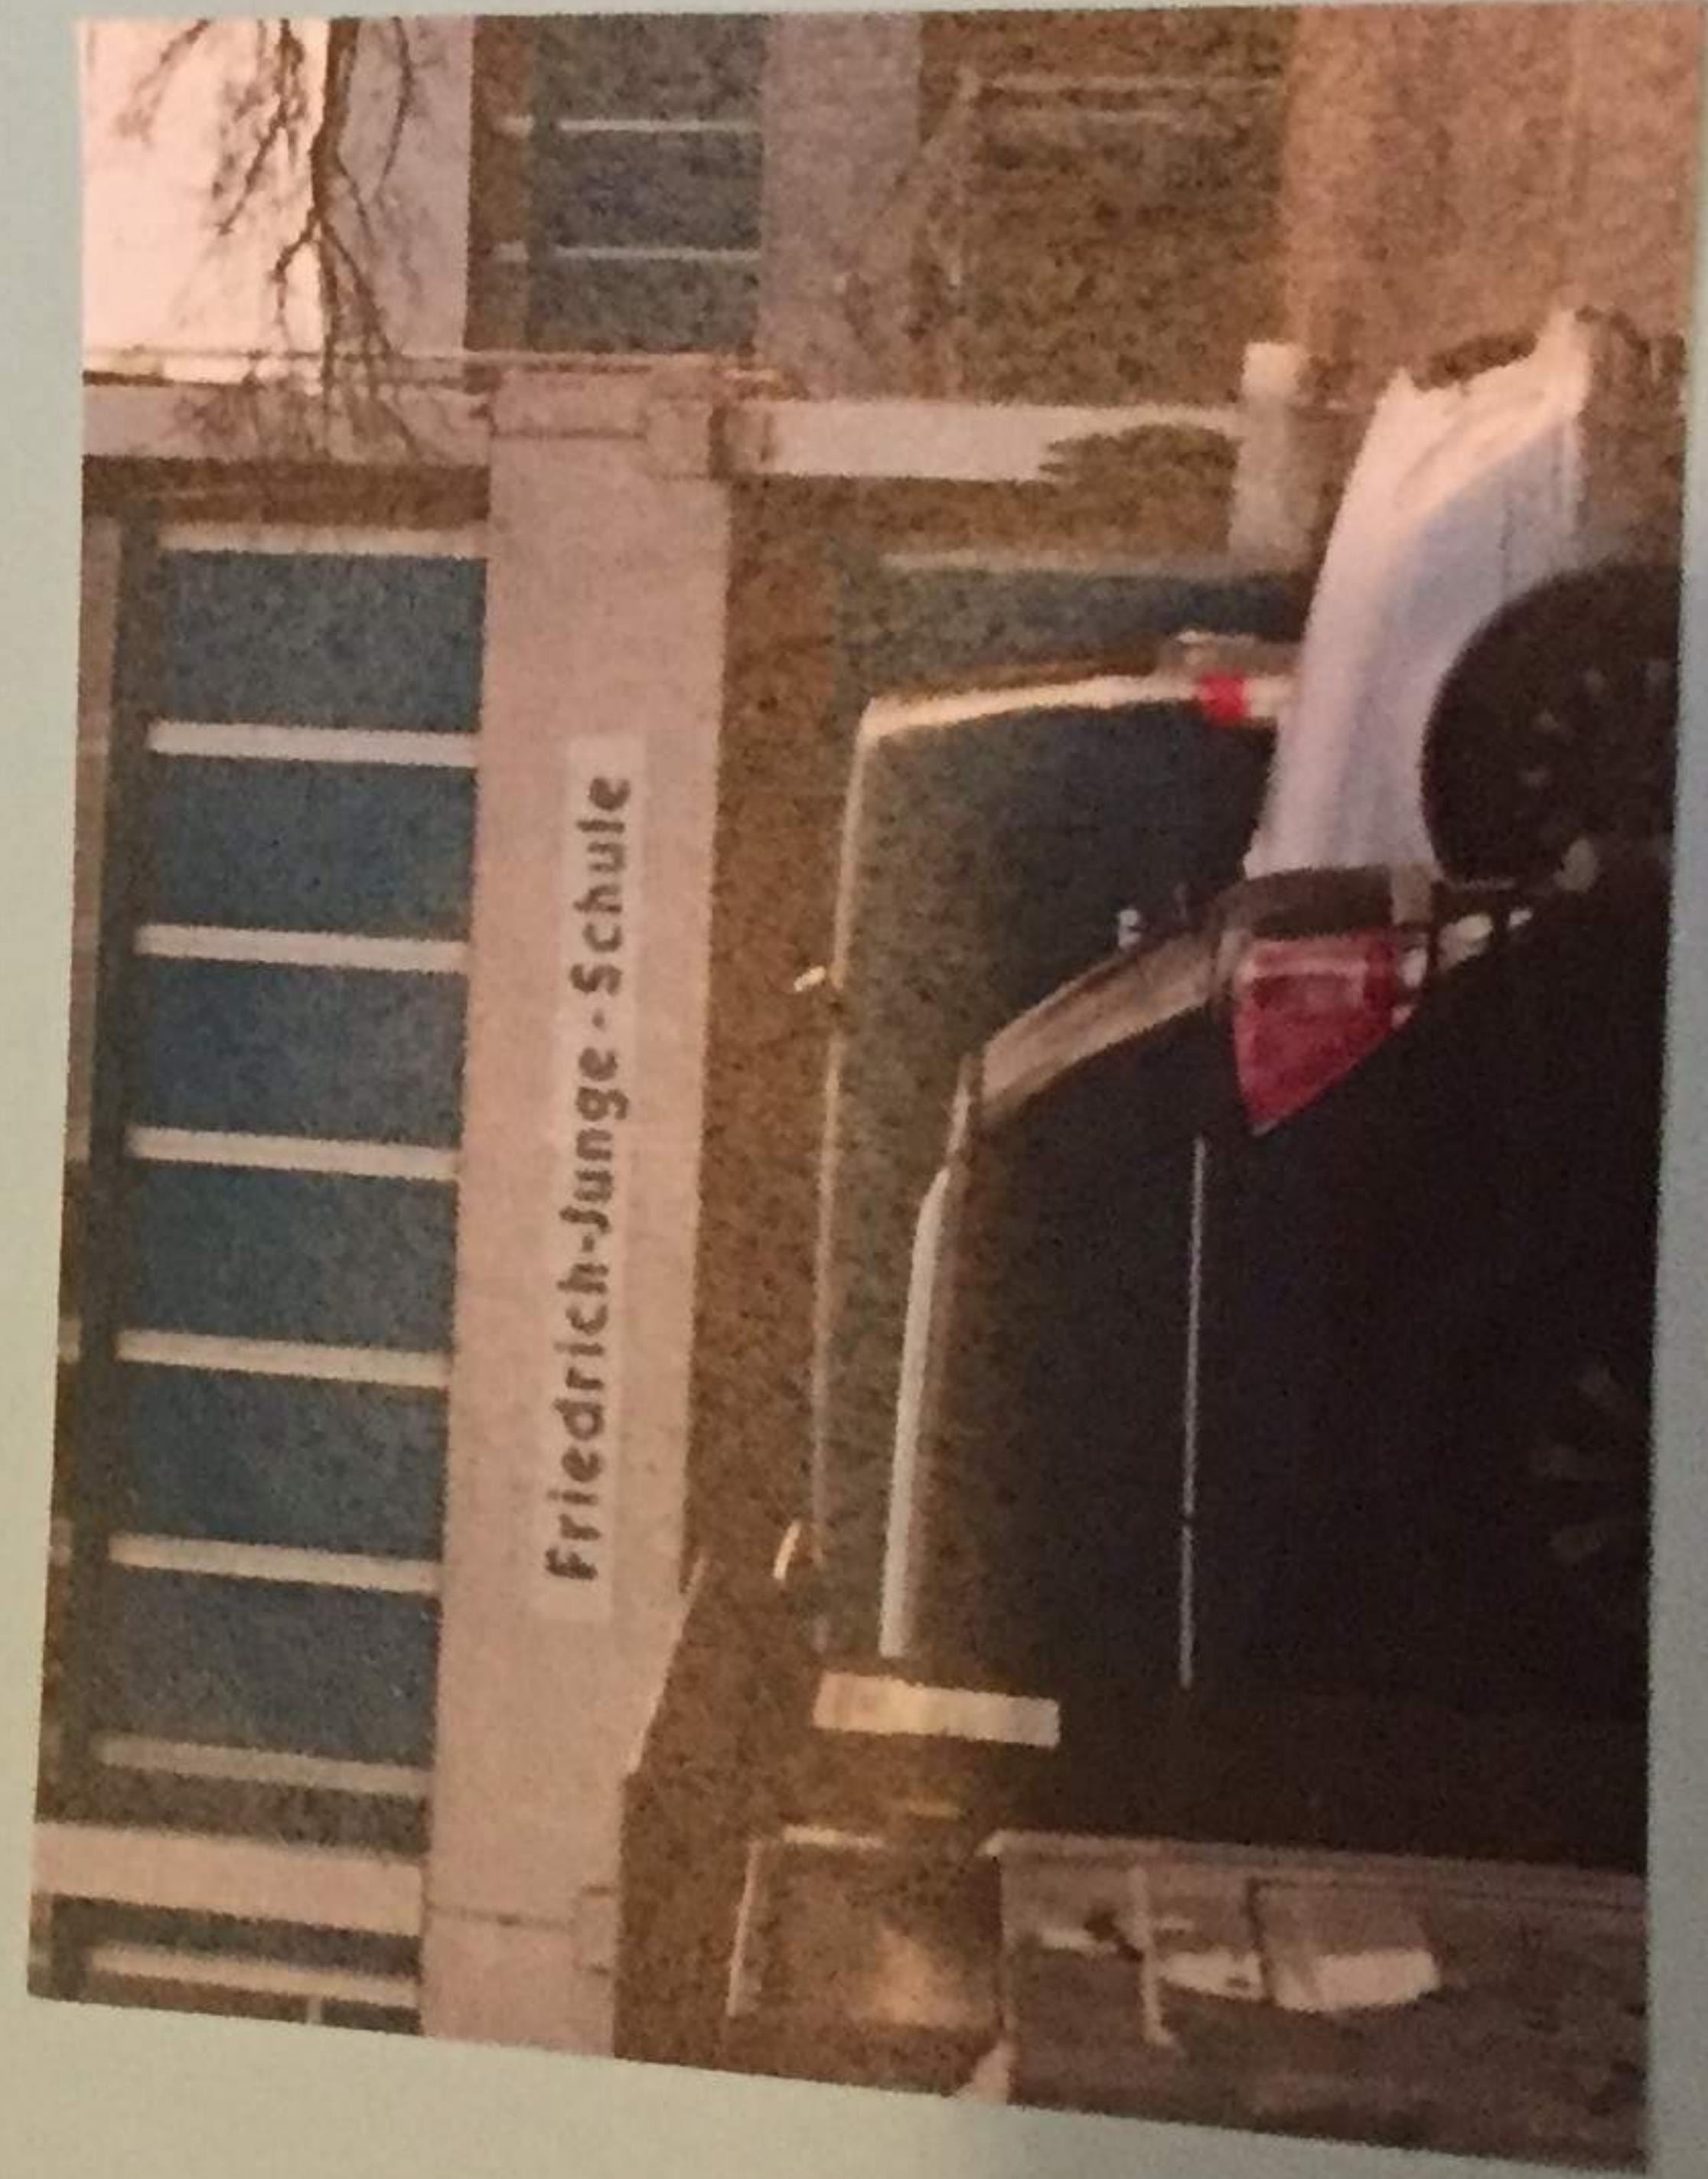

It has five towers and  
nine courtyards. All together,  
we are 700-800 students.

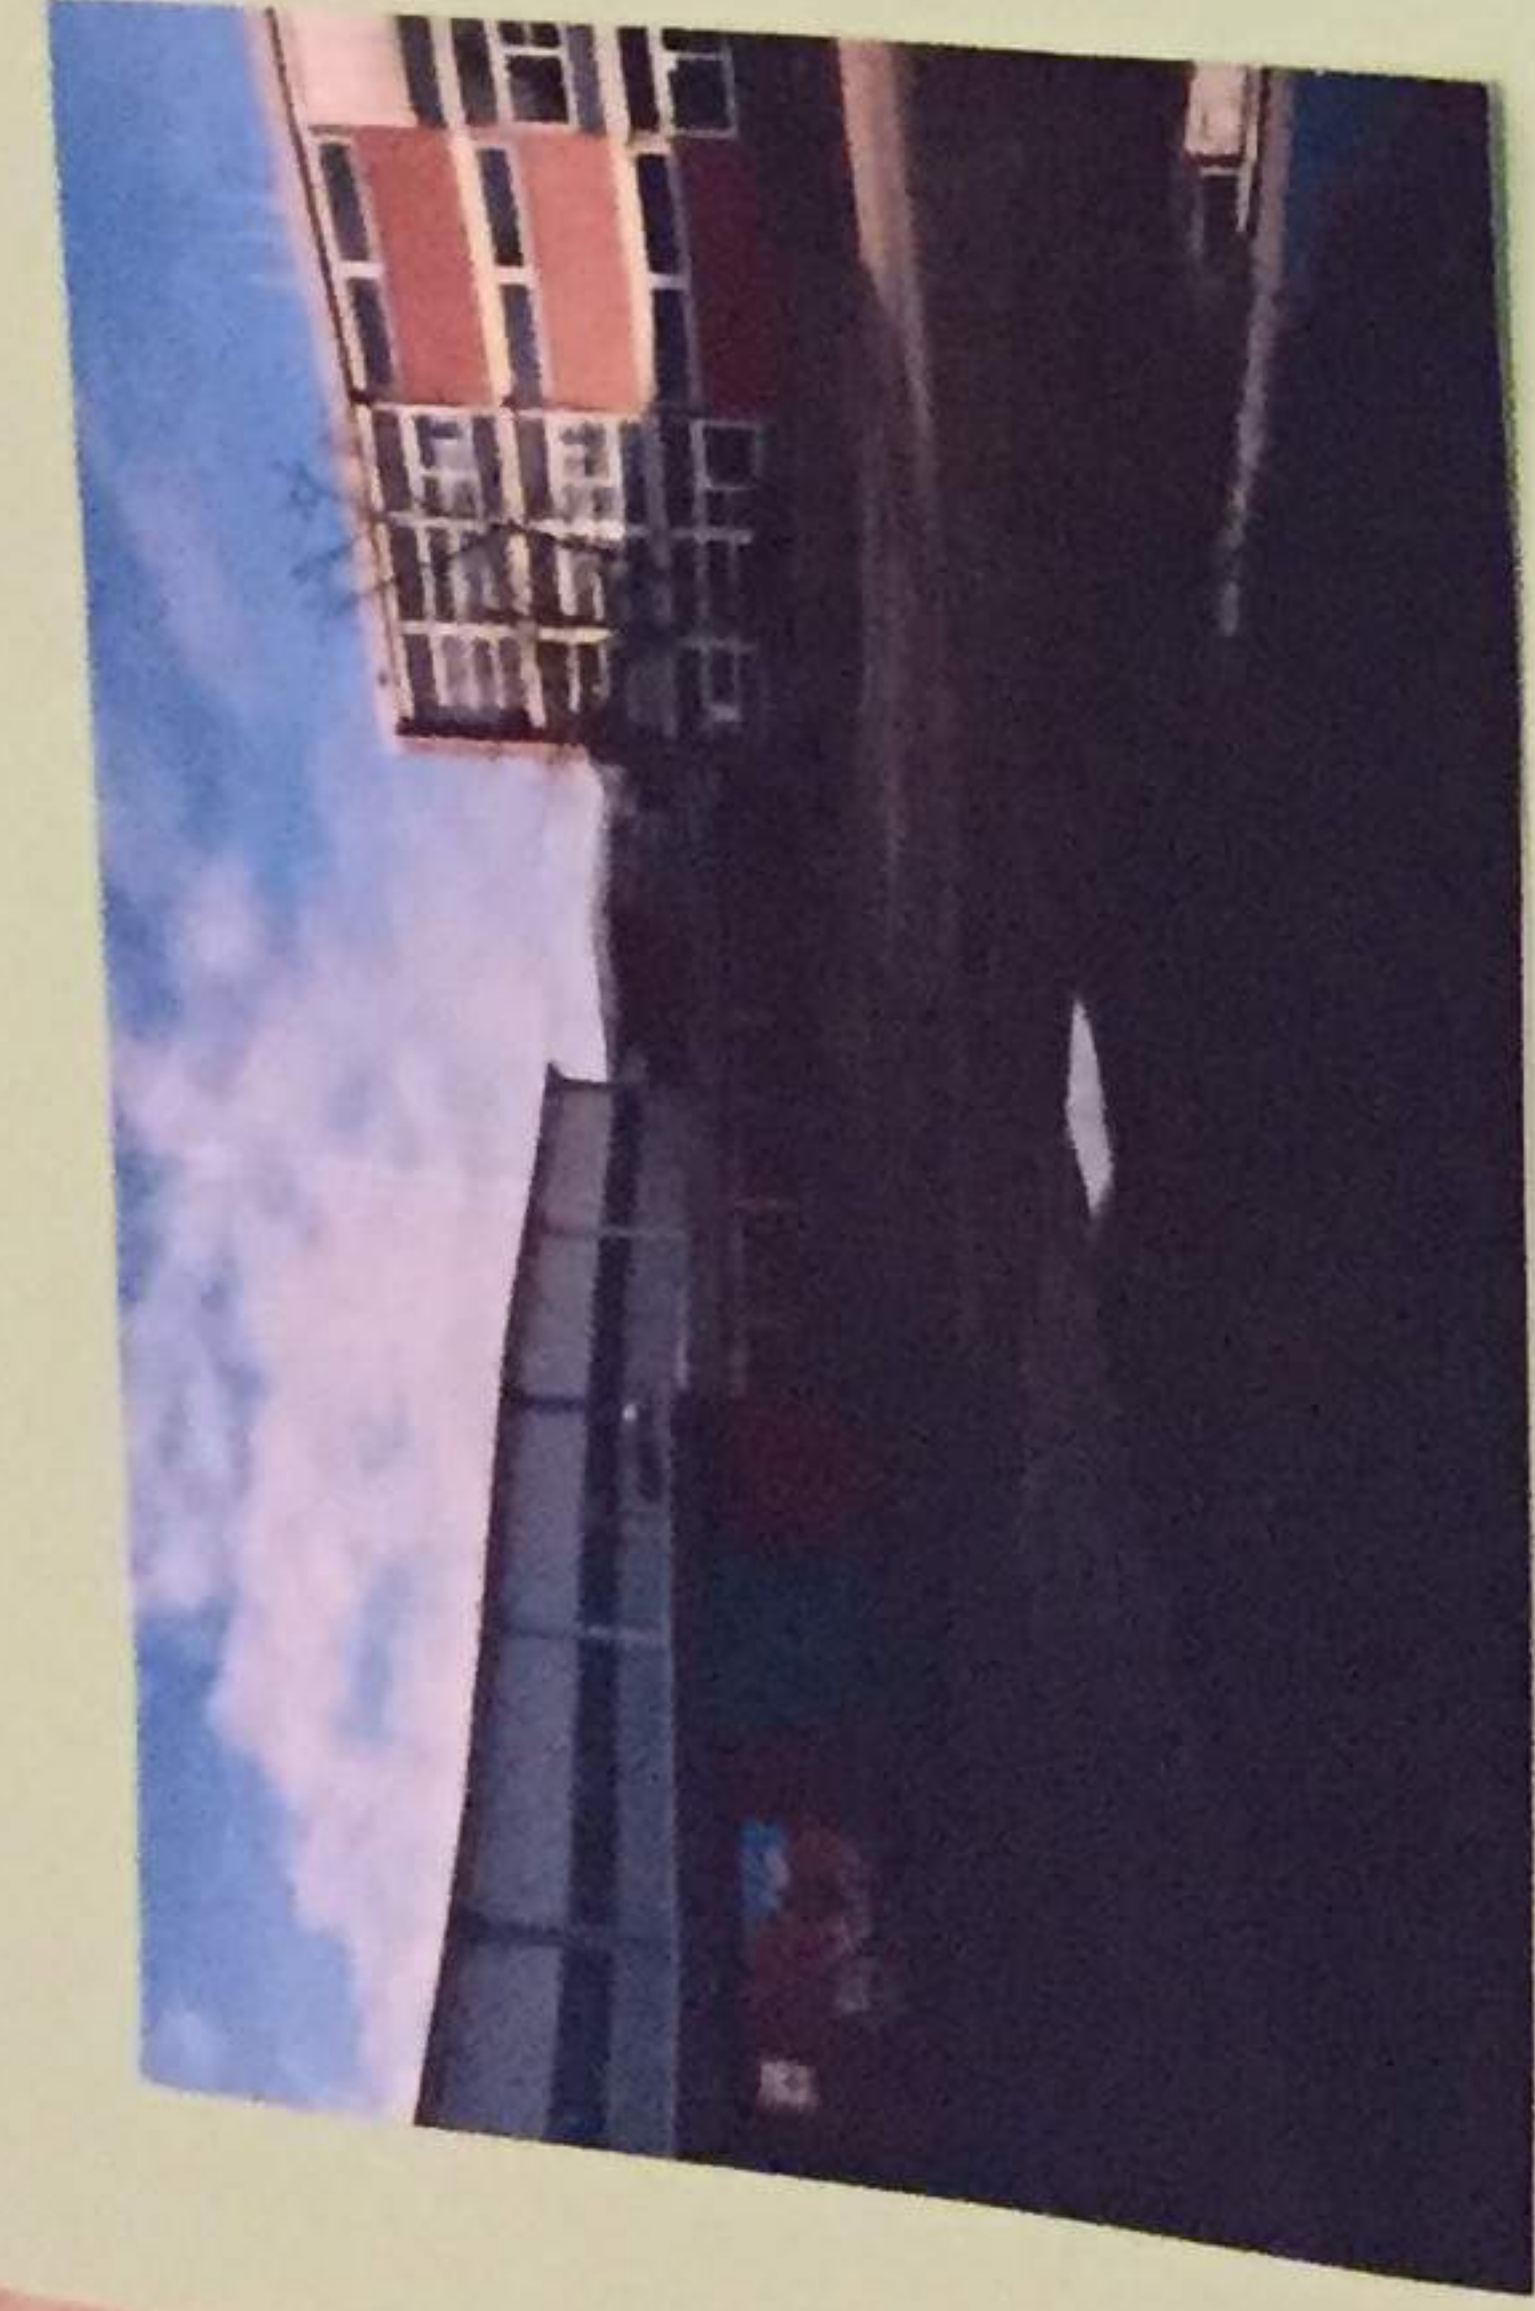

The Emil von Behring  
Gymnasium is next to the  
Grundschule Schmalenbeck  
and the Friedrich Junge  
Schule. The schools are part  
of a school centre and they share  
the "Mensa" = canteen

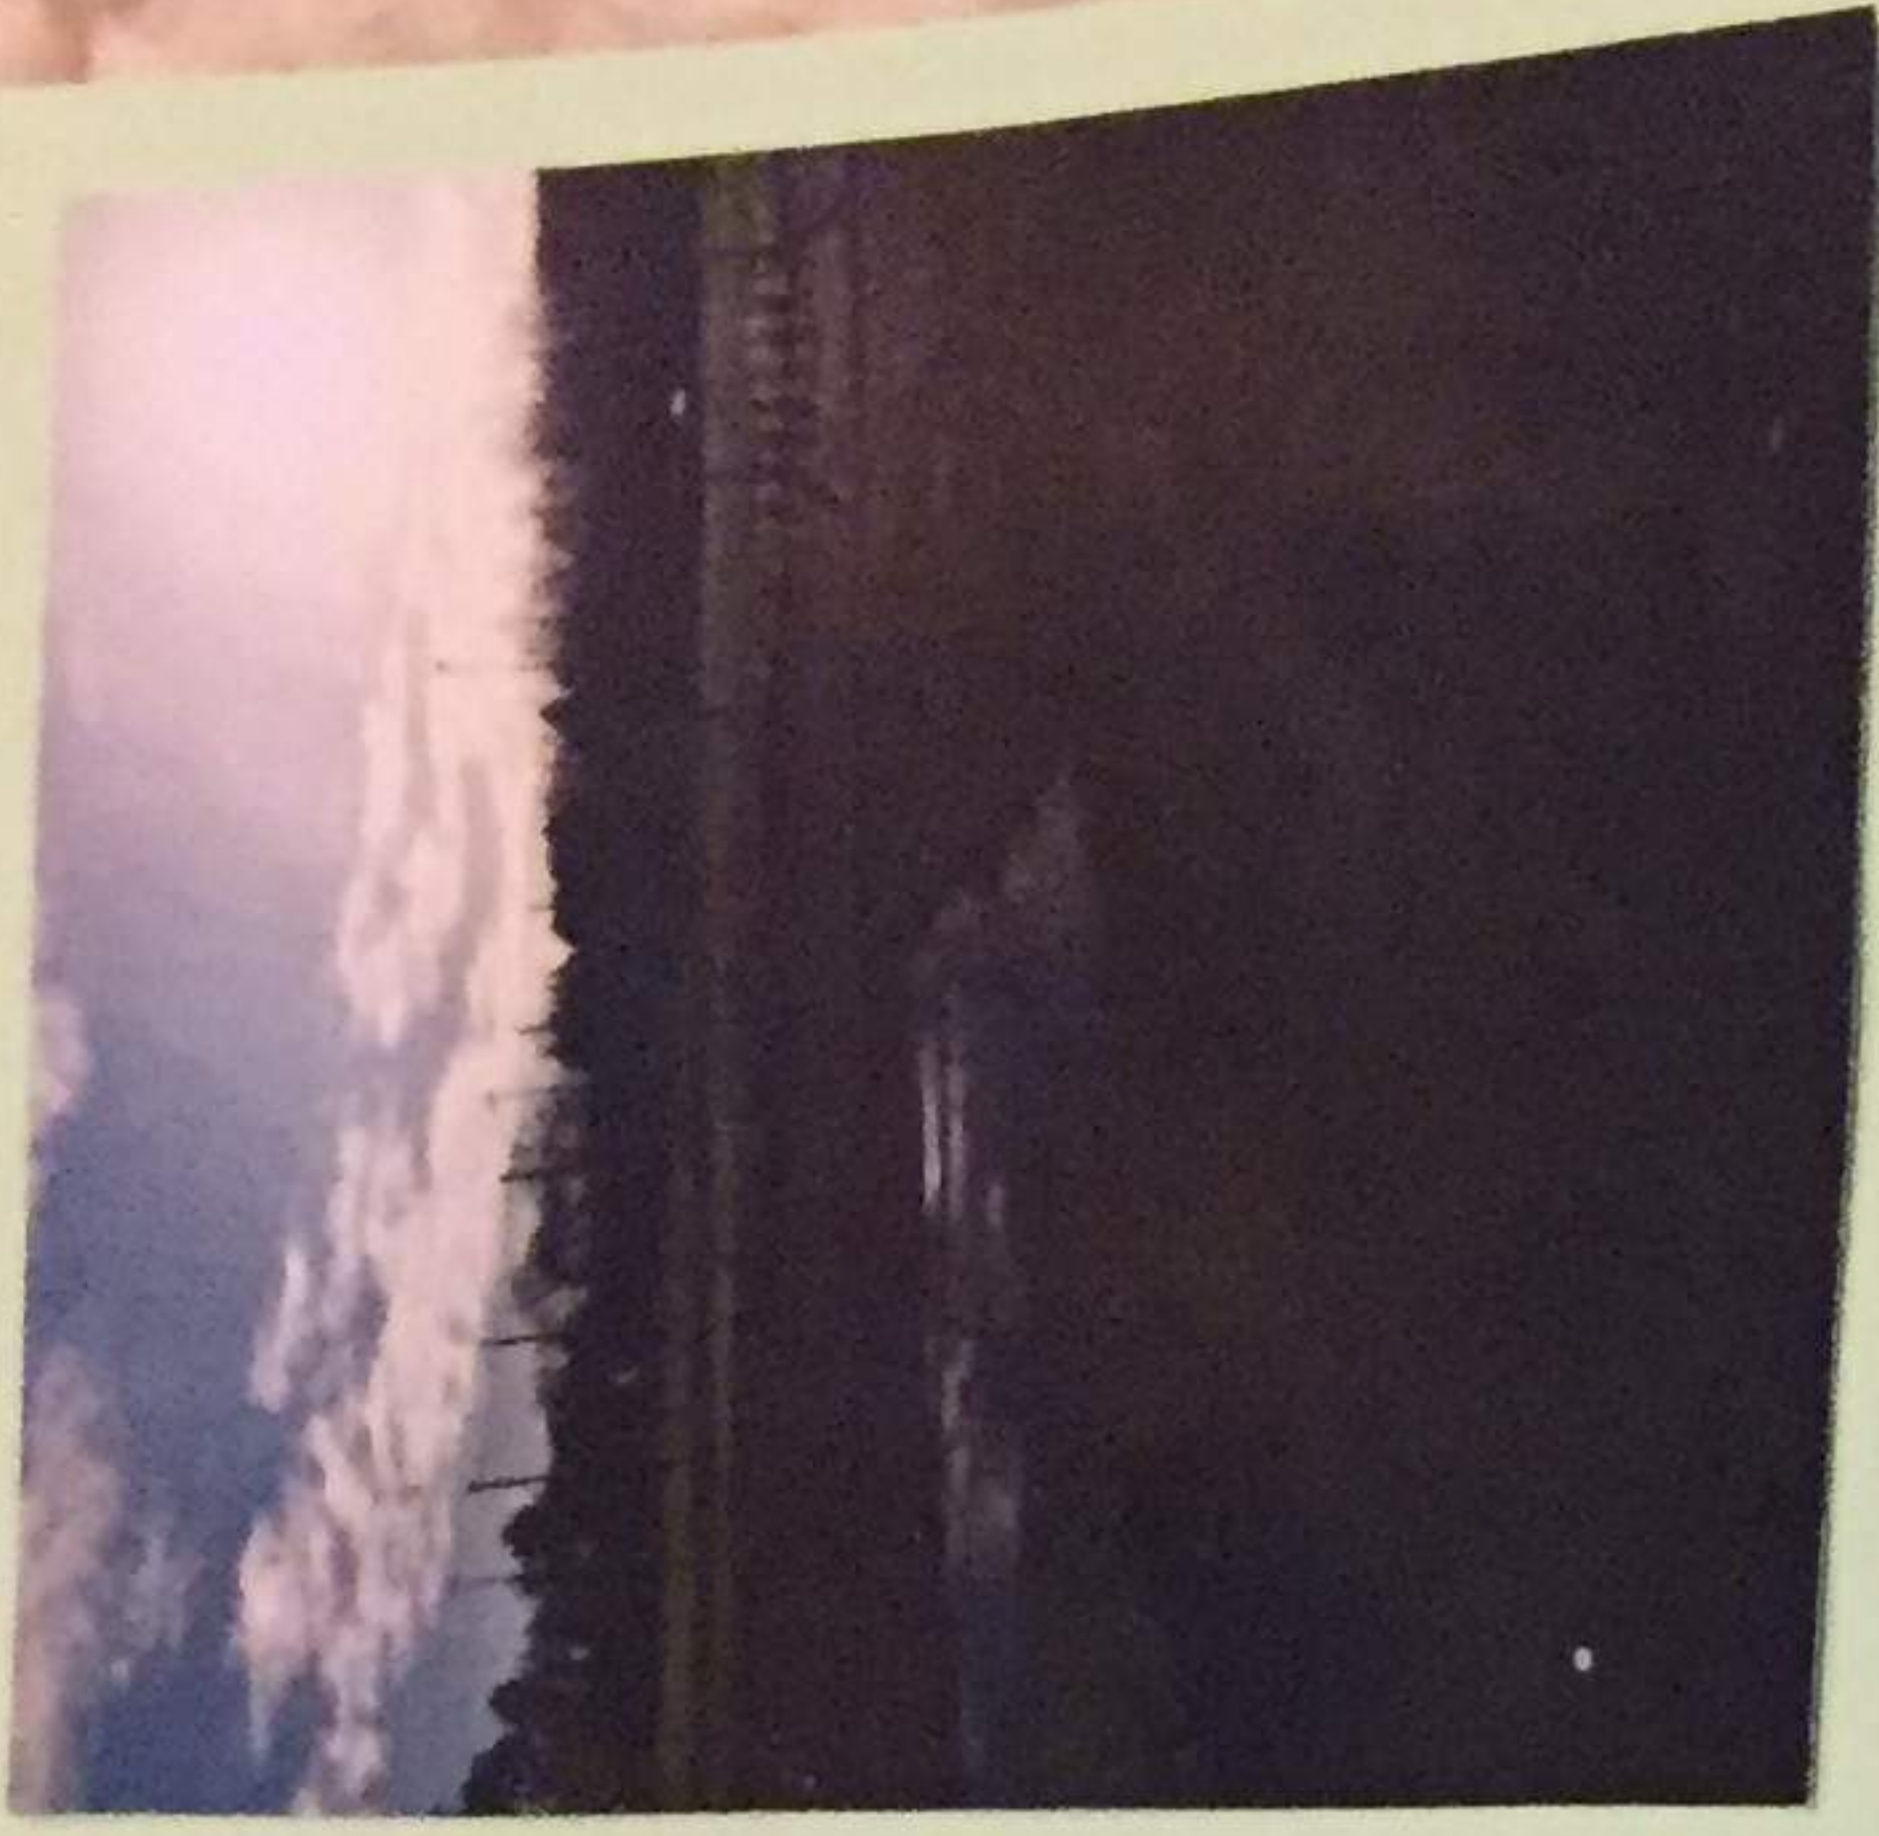

During the lessons the students have their break at different schoolyards, each for Vintages 5 til 8 and 6 til 9.

Here we can meet our friends from other classes and play with them.

For sport lessons we are able to use the sports ground, which is located directly next to the school.

In winter, we use the sports center. When the weather is cold and rainy, we are doing fitness or playing ball games.
